Introduction:

1. This new class crane expands maximum jib length to 60m and increases load charts over previous models offering the same lift capacity on the whole jib length, with a maximum load at the full length of the jib tip of 2.4 tons.
2. The TC6024 gives the market a flexible solution to meet complex lifting challenges. Fully committed to the tower crane business, we are accelerating new tower crane product development to meet our customers' needs.
3. This includes a new tower crane cabin that will advance operating efficiency and comfort for our new crane.
4. Offering a 1600 KN.M load moment, the new crane delivers extremely high lift capacities throughout its load chart and 10 different jib configurations from 6 M to 60 M meet varying jobsite needs.
5. Its hoist, slewing and trolley speeds allow operators to quickly and precisely move and position heavy loads. All jib sections come preassembled with a life line for quick, safe installation at height, while stronger jib walkways deliver long-lasting quality.
6. It can be configured with block or slit mast section or thanks to the transfer masts with the combination of them. Here offers superior value for the customer, as this gives companies operating multiple tower crane models the ability to efficiently manage component inventory and cost effectively meet their tower needs

RFQ

1. Are you a manufacturer or a trading company?

We are as a professional manufacturer / factory since 2002 year for 15 years.

2. What is your advantage?

- 1) We are a manufacturer, so the price is more competitive than the trading company.
- 2) It is more effective to communicate with the factory, saving more time for you.
- 3) Timely after sales service
- 4) We also produce other construction machinery such as construction hoists, derrick cranes and ZLP Suspended Platform to meet your requirements.

3. How do you guarantee your product quality?

We have our professional testing department , and will test the machine all the progress, and will test it after finished and before delivery.

4. I plan to label our logo on your products, is that possible?

Sure it is ok. OEM is available for us. Just send your logo, brand name or picture to us.

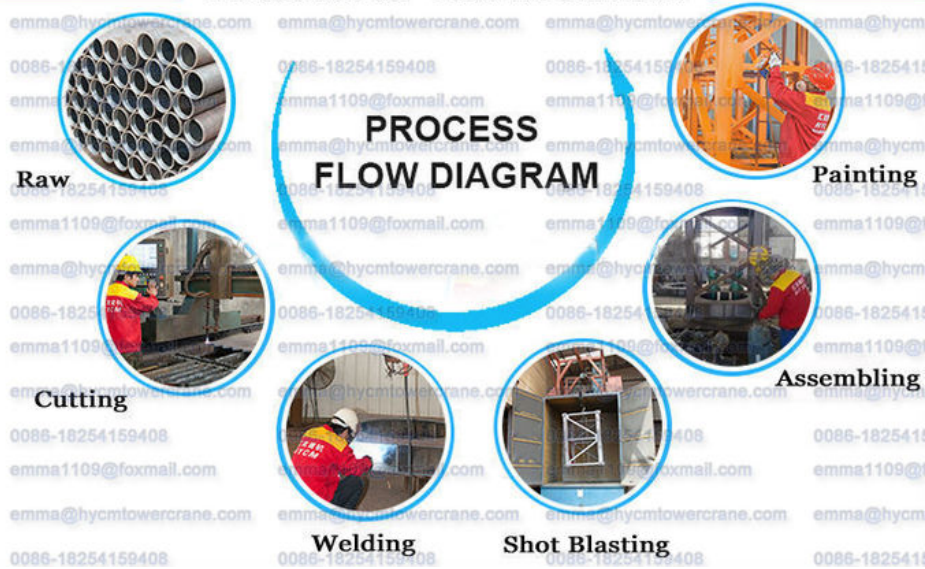

5. How about the warranty period ?

The warranty will be one year from the date of shipment. Any detected parts during this period caused by the quality of products will be replaced by seller free of cost (exclude wear and tie parts), improper operation and other man made reasons are excluded.
