Product Description

Spare Parts Potain MC80 Tower Crane Mast Section 3.0m Angle Steel Fishplate

Description

1. The standard section of the Potain MC80/MC85 tower crane is mainly used to increase the height of the tower crane.
2. The standard section code is S24 which belongs to block type section of the angle steel fishplate.
3. The product size is 1.2M*1.2M*3.0M. The main angle steel: $\angle 160 \times 16\text{mm}$, diagonal strut $\angle 70 \times 7\text{mm}$, horizontal plate $\angle 63 \times 5\text{mm}$, connected by $\Phi 40 \times 110$ pins.
4. The product is divided into yellow and red color.
5. The standard section raw materials use Angang Steel's Q354B material angle steel, and the forged fishplate tooling is welded once.
6. The welding adopts the mixed gas MAG protection welding process, the melting depth is large, the welding is more stable, the shot blasting and rust removing surface stress, the product is more durable and safer.

Specification

DIMENSION: 1200MM X 1200MM X 3000MM

TYPE: BLCOK AND STRONGER

EQUIPPED WITH THE FIXING BOLTS AND LADDER

We could offer all the Mast Sections for Potain tower crane type, if interested in them, please let us know.

Advantages

Compact structure, good stability, high safety factor, quick assembly, **save transportation space and freight**, which have saved the problem of long-distance transport.

Easily dismantled into panels for long-distance transport, a large number of mast sections can be transported in one container reducing transport costs.

Mast sections adopt split structure, convenient for transportation and storage, save the long distance freight, the main chord of mast section adopts Q345B materials, adaptability to environment.

Documents for Mast section

We can offer the following documents for customs clearance, if you require extra documents please inform us in advance.

- 1) 3 Original B/L
- 2) 3 Original Commercial Invoice
- 3) 3 Original Packing List
- 4) 1 Original Insurance Certificate (for CIF term)
- 5) 1 Original CO / FORM E / FORM A (if needed)
